Nationwide commercial and personal lines of insurance

Licensed in all 50 states, **Newtek Insurance Agency** offers protection for the most valuable things in your life: your family, your home and your business. As a broker, we represent you, not a carrier

We know you are busy and don't have the time or patience to shop the insurance market, so we do it for you. We have hundreds of carriers to choose from. We know which carriers offer the best program for your needs and can quickly and easily get you a quote. Our job is to search the insurance market and find the best available coverage, carrier and price. Then we bring that solution to you. This saves you time and money.

So, forget about all those advertisements promising you a better rate, let us find it for you.
